‘Winter Wonderland’ Camp

(Ages 5-15) € 199,- (Phorms: € 149) 40 Places

This year the Phorms Holiday camp team at our Taunus location will be bringing back a popular type of camp that allows your children to choose their own activities! This camp will be run in both English and German by our wonderful Hort team including Mr. Trueman, Ms. Brooks, Ms. Hudson, Ms. Linh, and Ms. Mendes!

This WINTER WONDERLAND Camp will be aimed at allowing kids a little freedom in their activities and allow them to switch up what they do daily so that they are always entertained with the things they WANT to do rather than being forced to stay in a single activity 😊

Each day will be divided into two parts: the Morning and the Afternoon. Each part will have at least two activities designed for younger children and two for older children (both Gymnasium activities will be run by one teacher as Gymnasium students don't need as much hands-on supervision for their activities as Primary kids.)

Primary students will have different Arts and Crafts activities available to them twice per day, as well as a games (both group and individual) each morning and a teacher speciality lesson in the afternoon. We will keep activities varied enough so that the kids will always have something new and fun to do!

Gymnasium will have one to two activities per half day, all of which will be aimed at the slightly older age group to keep them interested. Things like Nerf War, Hide and Seek, Capture the Flag, Dungeons and Dragons, Nintendo tournaments, archery, and others will be available to them.

Children will also be able to choose free play at any time as well in case they are finished with an activity or would prefer to not take part in the activities for that time. You can find an example of the schedule we will be using in the separate attachment in our camp email or on our registration website.

Please note that the camp activities are not yet completely finalized for each day, but the topics/theme of each activity is on there so you will have an idea of what kind of activities will take place. All registered camp parents will get a copy of the fully updated schedule before the start of Winter Holidays! 😊
