Please make sure you know that they will be bringing many of their crafts home with them as well. Please also make sure to pack sunscreen, a hat, and a waterbottle, as most of this camp will be taking place outside.

English/German Adventure Time! Camp

  (**Reception & 1st Grade ONLY**) € 209,- (Phorms: € 159.-) (30 places)

This exciting new camp is designed with one purpose: to welcome our NEWEST children to Phorms! We would like to offer a camp that will be run in both English and German equally to allow our new arrivals to learn how we teach our languages here at Phorms in a fun and relaxed way! Have your kids join Ms. Hudson and Ms. Birkle, two of our best younger-children focused workers, who will take the kids on a wonderful week of reading, playing, and having a great time, both learning and having fun at the same time. This camp will also help the children to make new friends in their new school, find out where things are, and to start to settle in to the routines that they will be having during the normal school year! Please note that while this camp is designed primarily for new Phorms students, we will accept students from other schools as long as we have places available and the child is in the correct age group.

Intro to Dungeons and Dragons Camp

Calling all adventurers! Come join Dungeon Master Trueman in the “World’s Greatest Roleplaying Game”™ and slay monsters, solve puzzles, and complete epic quests! This camp is designed to teach new players (and maybe a few returning ones) from our 4th-6th grades to learn what D&D is, how to play, and to run through a FULL campaign all in one week. This camp will also be an excellent way to introduce those who are interested in joining the new Primary D&D club that will be continuing in the new school year.

Intro to Spanish Camp

(Grades 4-7 **ONLY**) € 209,- (Phorms: € 159.-) (10 places)

This camp is designed to teach your kids Spanish! Taught in both Spanish and English by Mrs. Carillo, our native Spanish speaker in our Hort team, this camp will help children going into Gymnasium, those almost in Gymnasium, and those who are already in Gymnasium and may want to brush up their language skills. Mrs. Carillo will be taking the children on a wonderful week of lessons that are made to be fun AND educational at the same time so your kids learn the language in an immersive and intuitive manner. From casual conversations to Spanish songs, from a Spanish language movie to cooking Hispanic food, your children will be sure to enjoy this journey into the culture and language of this camp!

Harry Potter Camp

(Ages 10-16) € 209,- (Phorms: € 159.-) (20 places)

Calling all young witches and wizards to Hogwarts (Phorms satellite campus) for their introduction into the wonderful wizarding world of Harry Potter! In this camp, fans and newbies alike will be taken on a journey through the books and films that make up this wonderful universe! Depending on the age groups of the camp, we may also focus on Harry Potter themed arts and crafts, or we might delve deeper into the mythology and backstories from this world! Run in English, German, and (if needed) French by Ms. Krau- one of our long time holiday camp team and a self-professed Harry Potter ‘super-nerd’ who is sure to help share her passion for the subject matter with your kids!

Outdoor Camp

(Ages 5-12) € 209,- (Phorms: € 159.-) (20 places)

Even though we are not able to take the kids on any kind of field trips this year, we can still take them to the best place of all- OUTSIDE! This camp, run by Mr. Hörr and Mr. Butt in both English and German, will take the group of kids on a great adventure all over the regions around our school via foot or bicycle. All sorts of fun activities and tasks are being planned with the new social distancing requirements, including exploring new forest paths, climbing castle walls, and ascending hills to get some great views of the surround areas are all part of this fun and active camp. Kids in this camp should be ready to get a little dirty, have sunscreen, hats, and water bottles, and should have no problem with long walks in nature!

Fun with Art Camp

(Ages 5-15) € 209,- (Phorms: € 159.-) (20 places)

Though our usual Art Camp activities are not allowed with the hygiene regulations, we have been working hard behind the scenes to ensure that those kids who are the art lovers and creative types will have something fun to keep them going this week as well. Taught in English and German by Ms. Hudson and Mrs. Peters, this camp will focus on individual art projects that kids will get to take home with them. Please note that we might need to ask you to bring certain things in this time around, as we cannot share a lot of our normal resources. However, each child will be given an art-pack from our team, which will include as many of the things they need without having to bring too many things from home. We will let you all know what we have and what we still need once the registration deadline has passed and we know how many kids to expect.
